23 – 24 April 2020

BEC! Bilbao Exhibition Centre, Spain

[www.exoskeleton-event.wearablerobots.eu](http://www.exoskeleton-event.wearablerobots.eu)

### Call for sponsorship and exhibitors

The **Exoskeletons and Wearable Robots: current practice and future perspectives** is inviting sponsors to actively contribute during this key networking and technology transfer event. Unique opportunities to present your innovative exoskeletons and wearable robots are available during the **live demonstrations of wearable robots**. As a sponsor you can further **present your organisation and your first hand experiences as a robotics provider** during dedicated sessions to ensure maximum exposure.

### Benefits of being a sponsor

As a sponsor of the **Exoskeletons and Wearable Robots: current practice and future perspectives** you can:

- Strengthen relationships with your partners and customers
- Expand your network within the Wearable Robotics community
- Increase your exposure: logo visibility and communication campaign
- Market and demonstrate your products during the live demonstrations
- Present your solution based on your user case
- Witness new ideas and novelties in the scientific world

---

#### Gold

- Complimentary registration for 2 participants
- 10 minute presentation to all participants during use case session (day 1)
- Exhibition space to present your exoskeleton or wearable robot solution
- Online and onsite branding recognition (including onsite signs, website and print program)
- Visibility in the communication campaign (social media and mailings)
- Opportunity to provide marketing materials

---

€ 3,000

---

#### Silver

- Complimentary registration for 1 participant
- Exhibition space to present your exoskeleton or wearable robot solution
- Online and onsite branding recognition (including onsite signs, website and print program)
- Opportunity to provide marketing materials

---

€ 2,000

### Deposit/Payment Information

Upon request you will receive a sponsorship contract from the co-organiser, accelopment AG. The full payment is required within one month of confirmed sponsorship contract to guarantee your sponsorship and exhibit location.

### Cancellation Policy

The exhibitor may cancel this contract provided that written notice is received on or before 23 February 2020 (2 months in advance of the event). Please send notice to [jgoetz@accelopment.com](mailto:jgoetz@accelopment.com). 50% of the payment will be charged for cancellations.

### Contact

If your organisation is interested in presenting your exoskeleton and wearable robot products through our different sponsorship packages during the Exoskeletons and Wearable Robots: current practice and future perspectives event please send an email to [jgoetz@accelopment.com](mailto:jgoetz@accelopment.com) for further details.
