

PARTICIPATION CANCELLATION POLICY

Due to the current circumstances, we would like to provide the organisation of STEEL TECH with flexibility, by setting out some **special terms** so that exhibiting companies can make timely decisions.

Therefore, if the exhibitor were to cancel participation, we **guarantee the return** of the amounts paid to STEEL TECH.

To request this return, please contact the organisation via e-mail **before 5 October 2021**.

This guarantee has been set out in article 7.3 of the STEEL TECH participation terms and conditions.
